## RESERVATIONS & MINIMUMS

We welcome private parties to reserve our private dining rooms or the entire restaurant with a food and beverage minimum. Minimums and room fees vary based on the day, time, and season, and are calculated before tax, service charge, and suggested gratuity. Events outside our regular operating hours can also be arranged.

Your private room reservation is confirmed upon receipt of your credit card information and signed booking contract, which outlines reservation details and our cancellation policy. Full payment is required at the conclusion of your event. We accept American Express, MasterCard, Visa, Discover, and cash.

To ensure seamless planning, we kindly request that menu selections be finalized at least 10 days prior to your event. A final menu contract will be provided to confirm food, beverage, and event details. Additionally, the final guest count guarantee must be confirmed two business days before your event.

## DRESS CODE

We are a special occasion restaurant and we encourage our guests to dress for the occasion they're celebrating. We prefer a style of dress that is polished yet comfortable. We consider attire such as gym wear, sweatpants, ball caps, clothing with offensive language, images or odors, and exposed undergarments too casual for our restaurant. Please be considerate of others and limit distractions that may interrupt the dining experience including disruptive behaviors, crying children, and audible technologies. Truluck's reserves the right to refuse service regardless of reservation status.

## PARKING

Valet is available at lunch and is complimentary. Valet parking is available in the evenings on behalf of your guests and may be added to your bill upon request. Valet parking is currently \$10 per car, which includes gratuity.
